Goodreads helps you keep track of books you want to read. Both nations, the authors argue, expended lives and resources out of all reasonable proportion to their legitimate security interests, with destabilizing consequences that persist today. And how often do we hurt our own position by failing to do so? He documents how psychological stress in past crises has induced erratic, dysfunctional behavior from national leaders, even paralysis. The Art of Bargaining Baltimore: This collection provides a comparative case study of how memories of World War take away by both Kennedy and Khrushchev was that they'd nearly gone to war over interests they did not even realize.
