There are no easy solutions. The group met with center managers to get their insights into what they felt they would need, and met with the managers of the offices responsible for generating these various pieces of data. This subgroup included a number of faculty and academic administrators. The Government also proposes a special grant of NOK 25 million for the Fornebu. There is a reduction in allocations to development research also in the proposed budget for A subgroup was assigned to the task of creating cost allocation methodologies. These apply to the budget areas of many different ministries. In some cases under the rebasing, funds that colleges receive from the University through revenue transfers from other units will be decreased. Savings will come from efficiencies from sharing more services and resources across the campuses, reductions in operational costs and position reductions.
