And thanks for reminding me to add a link to this article about how to take the nuclear solution. Well done, your book manuscript is now formatted properly!

While it is common to start a chapter on a new page, do not add more paragraphs before

Future problems were prevented by making sure option for old style quotes vertical stabs, same for opening and closing quotes, NOT curly style! The advantage of DjVu is that it is possible to take a high-resolution scan – DPI good enough for both on- screen reading and printing, and store it very efficiently. You should also perform a comprehensive grammar and spell check.
