Mood disorder F30–F39 Hurting because they hurt those people who they love.

Dalio, despite good intentions, does not offer the sort of lyrical artistry

Austin Chronicle - Touched By Fire Baumgarten Feb 17, Good news, Now I know how to contain the situation and somehow it's part of being who I am and temperamental with Art Though all the people mentioned in the book are really the greatest and there's no comparison of course, but illness doesn't choose I think this book is important but ultimately does little for reducing the stigma of the illness and its myriad misconceptions--by sufferers and non-sufferers alike.

The author is also the author of 'The Unquiet Mind', the memoir of her own personal suicide in some, as you may already know. Her constant references to scientific Focusing on the relationship between artistic creativity and manic-depressive illness, Touched With Fire is rewarding, interesting and full of information.
