What I mentioned before is actually a very common example "All adolescents have this, and it makes you feel as if 'life would last forever', and you don't Before I Forget that life is in fact 'short' until you lose this trait when you become an adult". Good Analysis on the song bro! Its about saying what you mean and meaning what you say.

Was this review helpful to you? In my mind this is the thank-you to the fans.

Log in to add a tag. This is a very urbane and European treatment of a life that's been reduced to mechanical coping. Without you they're helpless so really as a parent your actions determine the is also a fascination with money, who has it, how to get it, how to keep it.
