Relocations is fierce, eloquent and compelling. Her aim appears to be to effect critical awareness of suburban possibilities that extend to queer spacing, color queer spacing, and re-envisioning a simulacrum of an illusory American Dream, one that is white, heteronormative, and ultimately as confining to the white privileged as it is to the marginal groups that also occupy these vast locations.

Tongson--while acknowledging the racism implicit in Stefani's sharajukugi
Tongson calls upon readers to examine and to re-examine the suburban landscape. Using metaphors of roads and movement, she engages critical questions about the suburban imaginary and how the collective perception of the suburbs remains, despite recent pop culture interventions, unchanged 4.
