My question; a if i quit with the other company which sponsored me for the series 7 license, but they have not registered my license yet, does my series 7 license become useless? I got the impression from the finra site that 2 years after being not registered the only things that would be there would be if i had a regulatory event filed against me, not just a termination. Ifyouarelosingsleepoverit,contactasecuritieslawyerandputtheissuet Interview them with a frenzy! A question for anyone who can help me. The new bank is very likely to do a pretty good background check, and if they find something of material importance that you didn't mention, that's a big problem.
