In other projects Wikimedia Commons. The best horror films of all time. And suddenly something is there:

This is the story of Buck, a dog who has suffered through almost everything a dog can suffer through. A contemporary setting with Ireland as a cursed land cut-off from the rest of the world. A fairy tale. The willows and aspens were bursting out in young buds. Even though the director has skipped some of the initial parts of the book and has made some changes probably because of avoiding not to make the film too long, he has still done a pretty good job by making quite an exciting film. [OpenPreviewSee a Problem?](#) In our discussion, we mention a few useful resources for those interested in learning more about Ligotti and his work. I honestly hope that somehow we will return to this author's world, but in the meantime I'll definitely be looking into his Bone World Trilogy.
