This means that the composer and performer must control the feel of each section of music without having a direct means to control how loud or soft each note is. Lindorff offers the following comment:

Please log in to post a review. He returned to Italy in the sand and died in Venice in
Oxford University Press, Ambrosio AM <http://> While this may be true, listening to the music of Couperin gives us a chance to see how such issues and differences of opinion would have played out even in earlier centuries.
