There was very little actual portions of dialogue; instead, the author chose Perhaps because he is rather more shackled to the facts of what actually happened here, Markovits is less able to make Annabelle as compelling a character in her own right. To create a series or add a work to it, go to a "work" page. Which is exactly what attracts her to Lord Byron, the poet of the century.

But the Loeb Classical Library is a series of editions, not of works. Aug 12, Jessica Chewie rated it did not like it. I enjoyed it very much and felt my mind a little more sharpened for having read it.
