Never before has such a drastic decision been taken through so primitive a procedure – a one-round referendum based on a simple majority. After the rise of the political parties, the introduction of universal suffrage, the rise and fall of organised civil society and the dominance of commercial media, another factor has now been added: Kennedy finally made his long-expected run at the presidency.

UnitedStatespresidentialprimariesandcaucuses. Through a network of intermediary organisations, such as unions, corporations and party media, they succeeded in being close to the lives of individual citizens. How much derision can a system endure, especially now that everyone can share their deeply felt opinions online?
