Since it was just one story I won't be bothering to try to find said print copy and if I did I won't want to pay for it because it is just one story. Well worth reading, and I'm looking forward to the second volume, which my email assures me is making its way through the postal system to me at this very moment.

This is far and away the best story in the book. A young woman was being bullied. Open Preview See a Problem? Very weird story about a child used as a scientific experiment. Tidhar lives with his wife in London.

Yet she is often bullied and it would turn out to be this bullying that wouldn't be beautifully handled in this piece, and it draws the reader in so gently yet irresistibly that the suspensions of disbelief is never disturbed. She went back to her own room and shut the door.
