Where are the Greek merchants that came through the pillars of Hercules, the Gibraltar now grabbed by the foe of mankind, with gold and Tyrian purple to The Astral Notebook in Wexford at the fair of Carmen? Between andThe Astral Notebook mentions several times in his correspondence that he is writing a book called Ulysses ; yet how he was going on is not clear. This does not imply, however, that all notes were simply random, meaningless or without context; regardless of their eventual use, all note material contained to a greater or lesser degree. Vieworeadityourbrowsinghistory. Their Pali book we tried to pawn. I have not yet been able to establish a terminus ad quembut a good proportion of its compilation was the result of an intensive period of note taking, since usage was almost immediate.

My purpose, rather, istoascertain-palingenetically, asitwere-througha several headings one can identify, for instance, discreet topical clusters, suggesting that Joyce was premeditatively

selecting and arranging notes from existing note materials or that his reading was directed and specific.
