Center for American Progress, March 12, In more sensationalistic accounts, Turkey's divergent interests were extrapolated into an alleged complicity with ISIS. The position of U. Despite the breadth of the literature on NATO-Turkey relations, the essential question of what it means to be allies is never explicitly discussed. Those bidding good riddance to Turkey should be careful what they wish. Only 18 percent of Turks have a favorable view of the country. It is no secret that Ankara has high ambitions for its defense industry. Waltz blamed Brussels for discouraging Turkey in its negotiations over joining the EU, while Barroso blamed Washington for turning public opinion against the West with the invasion of Iraq.
