For what is remarkable in this narrative isn't really the story, even if it serves as a good base and is both coherent and interesting. Theo has returned to Giverne and its mysterious glass trees, dreaming of the moment when he will find the stars, while his wife, Myriam, is trying to maintain a comfortable life for their family. A frightening planet then, but which really shows how we are conditioned by our environment and our culture.

A frightening planet then, but which really shows how we are conditioned by our environment and our culture. However, sooner or later, Arthur, Indira and Alexander, like all the other teachers, will have to choose which side they are on, or cease to exist.
