The calendar year began with the formal presentation of the Product Specifications to Production staff on January 8, In addition, Jane Erin of the University of Arizona contributed an article on research in collaboration with APH on the effects of media on test performance. All field test sites completed the field test and returned the evaluation forms. Markisadvancinghisprofessionaldevelopmentbystudyingbrailleformats  
this reflects the ease with which the mainstream - media and listeners alike - could assimilate a singer and the difficulty it still had coming to terms with a rapper, even a quarter of a century after Coke La Rock had begun rocking the mic at Kool Herc's block parties.
