About Your Call Is Important to Us Ever been left spluttering over some fatuous fib trying to pass itself off as information, even as fact? I work in a glorified call center meaning that we need to have decent training to be able to work where we are working and the idea of the phone maze is to try and direct us to where we want to go. I hoped this would be an in-depth look at marketing and customer service tactics. While bullshit is not new, more money, more media, and more people at mics have led to a bullshit pandemic.
