The main character was easy to follow and like. The child had no sense of self-preservation.

And then of course she doesn't even need any training at all but just manages to

I don't read YA fantasy novels usually, but read this one due to some friend's feedback. The radiance of their skin and their glowing golden locks turned to flame.

Just in front of her walked a young boy, probably a freshman, with his nose stuck

it was over, I wanted to read more and I sincerely hope that Melissa Drake makes a sequel. The greatest strength of the novel is easily the engaging, fast pace of the story.
