I found the history of philosophy section much more easier to go through as it broke things down according to chronology and philosophers as I like it! On a more specific note I found the essays on the philosophy of religion and the philosophy of science to be particularly well. Read more Read .
I highly recommend the Blackwell series as well as the Big Questions collection. A Companion to Hume by Elizabeth S. But the Loeb Classical Library is a series of editions, not of works.
AudibleDownloadAudioBooks. By default, it sorts by the number, or alphabetically. far all the above have proved helpful.
