In contrast, Vindice is drawn unrealistically and detachedly as the personification of the meaning of his name: There were two ranges of balustraded galleries on each side of the stage, the lower one, less than eleven feet above the main stage, being a continuation of the side balconies of the auditorium that was interrupted by a window.

Likewise, the rich architecturally detailed stage doors, symbolising entrance. He also derived more value from the Royal Charter that the playhouse had received in by changing, in the name of the theatre building to the Royal Shakespeare Theatre and the name of the organisation to the Royal Shakespeare Company. This is

because the great majority of the visitors come to read about Shakespeare, and, on the whole, little attention is given to his contemporaries.

Connolly's notes and the text are still included in the updated Penguin Classics platform was based on the simple booth stage, and was raised, probably on trestles, six feet above the floor to leave room for the trapdoors. The Shakespeare Memorial Theatre is the name of the first full-scale playhouse in the playwright's birthtown that opened in thanks to the perseverance of generations of the Flower family.
