Essays and papers from the earlier sixty years are grouped into six topical chapters theological librarianship's features, dimensions, academic position, settings, improvement inside ATLA's sixty years, and so much noteworthy changes each one of that's brought by means of a present-day theological librarian. Deliver powerful presentations and talks that turn prospects into customers and clients!

This title will assure consistency across the curriculum and the school district.

Yoga Sequencing Mark Stephens. Because the American Theological Library organization ATLA celebrates the real milestone of its sixtieth anniversary this yr, the editors have introduced jointly in a single-volume anthology the superior contributions to this box.
