Other Anansi stories show up his lazy, greedy side as well, and some tell us of Anansi being too smart for his own good! Whatever the twist, all Anansi stories make great Jack Mandora, and great reading. Do you think they would be pleased or proud, or would they be filled with the same disgust that has driven so many away from the polls and our electoral process generally?

For the village the innuendo would be exceedingly hard to miss.

Personally I prefer the idea of the gatekeeper. As our First Lady of Comedy, are there any comedians that you get a good laugh from?

Is that really what our forefathers fought, bled and died for? We were approached by many African tribes, stories were told and to a great extent still are told as an object.
