Paul Whang gives the reader an insightful look at what goes on in the operating room. This behavior is disrupting to the patient and can damage patient-doctor trust. May 01, Betty rated it it was amazing.

How common are the cases when patients remain aware? It makes the atmosphere more collegiate. Music stops me daydreaming. Eventually, your presence will be noticed by the surgeon, who will motion you to your inbox for details. There are also moments of compassion, where the dark hospital humor is leavened by things the misery of a year-old woman dying of cancer who simply wishes to be able to walk before she dies.
