Reviewed for Bitten By Books [http:](http://) Though her three children are grown and starting their own adventures, she still has a houseful of demanding pets. Taught in the cruelest way possible to hate humans by his angel father, Lucca is banished for the attempted murder of one of his brethren. Angels and demons demand he do their bidding. The characters are wonderful and have depth and dimension. Lists with This Book. Chrissy marked it as to-read Aug 25, There were also quite a few grammar, punctuation and spelling mistakes that quite annoyed me.
