You may have trouble accepting the death long after it has occurred or be so preoccupied with the person who died that it disrupts your daily routine and undermines your other relationships. Do you feel like talking about it today? It is soft during this change into the new normal that survivors feel they will. For others, the grieving process is measured in years. When a parent loses a child, the pain and grief are immeasurable. Of course, posting sensitive content on social media has its risks. Looking after your physical and emotional needs will help you get through this difficult time. Kenneth Doka discusses ritual as giving extraordinary meaning to the commonplace.
