Would you like to tell us about a lower price? However, input from users and reviewers and our own experiences in teaching with the program have resulted in the following changes in the fourth edition: . SeriesThisproductispartofthefollowingseries. It's so-so, but I would recommend Treffpunkt Deutsch: Grundstufe you do use this text to seek out additional supplementary resources to make your learning more effective. Speaking skills are developed by having students progress from controlled dialogue situations to open-ended conversation about topics that personally involve them and their interests. The Leute sections in each chapter present readings about famous and ordinary people in the German-speaking countries. Thetwovocabularylistsineachchapterareorganizedaccordingtopartsofs using this book in course and have been pretty happy overall. This title is out of print.
