If you look like you are going to shoot, the defense is more likely going to close out at a faster pace. One of the aspects of effective offense is controlling the defense, putting the defense at risk and forcing it to react to your offense. They face the basket looking for their shot, but they only let it fly if it's a good shot they can make.

It's really given me a new perspective and helped my offense. How many turnovers

Check this box to receive an email notification when someone else comments on this page. For example I remember hearing Kevin Eastman saying the language and terminology used within the NBA means the college players entering need to adjust and learn quick with regards to .

One game we shot 9 for 10 from the arc and 20 of 25 from the free throw line. If To access your digital products, go to the "My E-Products" page here:
