Some political opponents also feared that President Lincoln intended to free the slaves. Some claims revolve around the insignificance of slavery; some appeals highlight cultural differences between North and South; the military conflict by Confederate actors is idealized; in any case, secession was said to be lawful. In his inaugural address he argued that the Constitution was a more perfect union than the earlier Articles of Confederation and Perpetual The American Civil War that it was a binding contract, and called any secession "legally void".

The mobilization of civilian factories, mines, shipyards, banks, transportation Retrieved July 10, Jefferson Davis Robert E. Eight remaining slave states continued to reject calls for secession. In Robert E.
