Not to say that this book can't be a help to TRULY "victimized" women that don't have a clue, but it has that strident feminist tone of women as victims that just isn't helpful for women that DO have a brain, and realize that relationships are inexorably a two-way street. Mo Therese Hannah, Ph. Even smart women can be gaslighted by men who appear supportive in public but are belittling in private, after which, worse yet, they assert that you're upset for no reason, that you're simply imagining the verbal abuse and incremental death of your spirit.
