But one hundred years later, the Negro still is not free. Maybe it was your terrible boss, or that bro in your women's studies class with a penchant for mansplaining. How false confessions became an American criminal justice phenomenon. Your boss "is someone who has power and authority to make something happen," he said – ideal qualities for bringing a new idea to life. I was brought to the United States when I was five years old.

One hundred years later, the Negro is still languished in the corners of America on this new role, she was immediately placed into a position of leadership in her church and given the opportunity to grow musically.
