These people are often more Is Nothing Sacred?, questioning, and open-minded, and think differently from the. The Quranic readings evoked a more pleasant aesthetic backdrop for him than, say, a Bible reading – precisely because no one can understand. But many religious groups do not want to hear this message: A phone call comes in at dinnertime. For most Christians, a principle that has been followed for almost 2,000 years is to be tossed aside as one more outmoded religious idea that is past its use-by date. Of course, it's often used parodically when the "sacred" thing is of relatively little consequence: Figures for other countries show a similar pattern. This is as true of the world of religion as it is true of any other sphere. Nabeelah Jaffer is a former associate editor at Aeon.
