Having been through this process on both sides of the table now, I have a few reactions: The recruiting process has really shaken up this year and is a pretty significant source of anxiety given how opaque and unexpected it is. I learned more about Excel in one week than I did in four years of college. Our team is the easy. Keep revisiting your original thesis—is it still relevant? I am extremely more efficient with Excel now which will hopefully help me to be a better Analyst. Having been through this process on both sides of the table now, I have a few reactions. Partners emailed me asking to set up a meeting, I followed up with them three times!!
