For example, Zoe speaks only one word at a time, all potential vocabulary words; in this book they all started with the letter A but I assume future books in the series go through the alphabet. In this first adventure, the heroes try to keep their cool on the hottest day of the year. That's fine as long as a young reader can still follow what's happening. IguessIjusthavetotakethebookforitstargetaudiencewhichseemedtobeay
can't walk that well, but she can fly and shoot lasers out of her eyes. He's Abigail's twin, youngest by a measly eight minutes.
