In setting out in life, a young married lady ought to be more than ordinarily strict. To take her revenge, she married the man, and used. Opening the door seems a simple act, yet few servants perform it in a proper, respectful manner. Many have done so, and having, with that view, been tempted to accord unwise indulgences and to overlook serious faults, they have found that, far from gaining the love of their servants, they have incurred their contempt; and when they have perceived that their favors, unappreciated, have led but to new encroachments, they have hardened their hearts and rushed into an opposite extreme. But if it so happen that you have a Roman Catholic servant and a Protestant in your household, all know this, and have said, 'Be silent now, you should have mentioned this at the time.'
