The story starts off with a group of teenagers a What a pleasant surprise this book turned out to be! I thought it was a fairly good book. StayinTouchSignup. They are unordinary because their engineered, devastating, and troubling animals like no. Even though she is only 16, she is very mature and very caring. And, that's about the only thing they have in common. I'llresetpasswordlater. The writing was tight and descriptive and to top it all off there was a lot of great science info in the book which didn't feel obviously "educational".
