This volume is an excellent reference and teaching supplement for industrial organization or industrial economics, the microeconomics field that focuses on business behavior and its implications for both market structures and processes, and for related public policies. Dynamic games Klaus Ritzberger 9.

Handbook of Industrial Organization:

Contract Theory Patrick Bolton. Recommend to librarian Title: Volume 1 Graham Elliott. While the first two volumes of HIO contain much more discussion of the theoretical literature than of the empirical literature, it was representative of the field at that time. Measure What Matters John Doerr. Handbook of Public Economics:
