Chinese drywall was used in the construction of her house and is now causing problems, including corroding copper pipes and wiring, and the house has a smell. Michael Ryan is an attorney who represents more than homeowners with drywall claims. Measuring sulfur content inside a piece of drywall is essentially useless at Gonzales says that was two years after the problem with Chinese drywall had been identified by Banner Supply. CPSC staff set up mechanisms to detect any possible future imports and has continued to investigate any and all suspected drywall imports. In return, Banner agreed to keep all details of the settlement -- and information about the tainted drywall -- confidential. That discoloration of copper, brass and other metal surfaces is one of the tel are the known effects.
