His research and development activities have spanned a wide range of issues, from individual creativity all the way to corporate strategic vision. This book is based upon 50 interviews with men and women - eg, Chris Bonington, Mark McCormack, Terence Conran, Malcolm Forbes, Hans Eysenck - who have been outstandingly successful in a variety of fields. Who'sTeachingOurKids?With his usual perceptiveness, Edward de Bono analyses their different paths to success, revealing that underneath their different styles and their greatly different personal qualities are a few characteristics which are common to all successful people.
